

PLATINUM ACADEMY - GROUP 22

Transforming Veterinary Life and Business

Welcome to the 22nd Platinum Academy Group. This is a place for independent practice owners who are committed to their success and passionate about their purpose. It's where growth accelerates and real change happens.

Join some of the country's leading practices and learn how to reclaim your time and develop confident management skills. Define and share your vision whilst building strong foundations and effective systems.

To support and assist flexible implementation of your learning and development, all CPD resources are provided through a secure online learning platform.

“

I want to say thank you to Vet Dynamics for all the help they gave me during the Platinum Academy; it's started to improve my life massively.

I already enjoy coming to work more; I'm less tired, the practice is more productive and I'm now down to working a 4 day week for the first time in 20 years!
